

DESIGN SPEC

Please provide all vector logos in an EPS format.
All type must be outlined or with fonts provided.
All bitmap icons and logos must be 300pdi jpegs.

For all layout docs, please provide fully packaged, including all fonts,
5mm bleed and high res versions of all images.

Any special requirements must be included in the pre-flight doc.

We are happy to reformat logos for you or give guidance on artwork
specs.

For more information please contact Dave White:
Dave@rtapublicity.com
Or call 01895 237 362

Thanks

The RTA Design Team
